

Man3000

Telephone Information Systems Multi User

The screenshot shows the Man3000 software interface. The main window displays a table of call records with columns: Dep, Line, Extension, Date and Time, Duration, and Cost. The sidebar on the left contains various report options such as Extension Summary Report, Extension Outgoing Cost Report, and Department Summary / Detail Report. A context menu is open over the table, showing options like Busy Hour Graph, History Graph, Extension Bar Graph, Extension Pie Chart, and Exch Line Bar Graph.
